## INDEX.

NOTE: In looking for the word desired think rather of the idea and get the word which nearest expresses it, or words that will define it; disregard the grammatical form of the word and look for nouns, adjectives or verbs under the one form of the word. Roman figures in parentheses refer to plates and the Arabic figures right after them to the number of the picture in the plate. Figures in the right hand column refer to the page where the description will be found.
